

F.O.G. ELIMINATOR (FATS, OILS, GREASE)

FLOOR & DRAIN CLEANER

POWERFUL & NON-TOXIC

PRODUCT OVERVIEW

BioProtect's patented formula harnesses the power of Surfactin, the most powerful known detergent, to eliminate Fats, Oils & Grease (F.O.G) and other organic matter, prevent & clear build-ups, avoid corrosion in plumbing and reduce plumbing maintenance costs.

PRODUCT BENEFITS

Powerful cleaning of surfaces & floors, prevents costly blocked drains & grease traps, eliminates drain blockages, removes odours, reduces bar flies, non-corrosive, doesn't damage floors & pipes, non-toxic, safe and easy to use.

WHERE TO USE

Created for use in commercial kitchens, bars & food processing plants.

Works best on:

- Drains
- Floors
- Surfaces
- Grease Traps

TECHNICAL SPECIFICATIONS

COLOUR: SLIGHTLY TAN

pH: 5.5 > 6.5

ODOUR: FAINT YEAST

HOW TO DILUTE

Floors: Add 250mL per 4 litres of water in a mop bucket

Drains: Use undiluted as a drain cleaner

DIRECTIONS FOR USE

Floors:

- Apply liberally to floors with a mop and allow to dry.
- Discard unused water from mop bucket into drains for flow-on benefits

Drains:

- Pour 100mL undiluted directly into drains on a weekly basis
- For first time treatment, apply multiple times in the first week to establish a probiotic colony within the drainage system.

PPE & SAFETY

PPE: Safety glasses and gloves may be worn.

Safety: Always take care when handling any chemicals. Refer to the SDS for additional Information at au.bioprotect.bio
