

ALCOHOL FREE HAND SANITISER

PROTECTS FOR 4+ HOURS

KILLS 99.99% OF GERMS

PRODUCT OVERVIEW

BioProtect® Hand Sanitiser uses unique antimicrobial technology that not only kills on contact, but also has persistent activity that helps prevent infections. The persistence of BioProtect® Hand Sanitiser has been shown to remain effective for more than 12 hours.

PRODUCT BENEFITS

Kills germs as fast as alcohol at a higher log reduction than alcohol. Completely alcohol free, non-flammable, non-toxic. Tested to protect for 4 hours and remain effective for more than 12 hours. With added aloe vera, it also moisturises your skin.

WHERE TO USE

Apply to hands.
